

Art home learning challenges

Drawing	Sketch something from your garden	Draw a caricature of a family member	Sketch something you can see from your bedroom window	Imagine you are in a rocket, where could it take you and who lives there?	How many different animals can you make by drawing around your hand?
3D	Make a musical instrument using recycled materials	Using empty boxes to make a theatre for a puppet show	Look at your class topic. What could you make?	Make model of the water cycle	Make a story box, open up the front, make a scene inside and write a story to go with it
Textiles	Make parachutes out of different materials: e.g. wool or cotton. Make sure they are the same size and test them out. Which material made the best parachute.	Using old sock to make puppets. Add buttons, bottle tops etc for details. Make up your own puppet show for your family. Record to show your class mates.	Make a street scene and each house, shop needs to be made out of a different material. Add Paper, card, bubble wrap, buttons, felt, sponge, lollipop sticks, look in your recycle bin for more detail	Make bunting out of old material around the house	Make a fabric flower or face using different materials and attach them to an old sheet, sack or bag
Collage	Collect leaves or sticks from outside and use them to make a picture.	Using magazines or different coloured paper make four trees and decorate them to represent each season.	Draw a picture of yourself and cut it out. Look through magazines and cut out pictures of places or activities of things you would like to do or see. Stick it on a big piece of paper or card. Make up a story about your adventures.	Draw a picture of your favourite animal and fill it in using different colour paper from magazines.	Make a street scene using only cardboard. Cut out the shape of each building. Build up different layers and then add more squares for windows.
Printing	Cut potatoes or sponges into shapes and print them to make a picture	Put lines of paint on the back of old CDs and	Paint the trunk and branches of a tree. Use a plastic water bottle dipped in paint to make the flowers. Or use your finger to make blossom.	Make your own natural paint to print with!	Handprint or thumb print animals: use your drawings to help
