

Weekly Timetable – Miss Clark's Class

	Monday	Tuesday	Wednesday	Thursday	Friday
<i>First session</i>	Phonics	Phonics	Phonics	Phonics	Phonics
<i>Break</i>					
<i>Second session</i>	English	English	English	English	English
<i>Break</i>					
<i>Third session</i>	Maths	Maths	Maths	Maths	Maths

Spend 20-30 minutes on each session, if you have the time.

Phonics – go onto espresso primary. We're up to the letter **Z**.

https://central.espresso.co.uk/espresso/primary_uk/subject/module/frontscreen/item61932/graded/index.html

Introduce the sound by watching the video and looking at the letter formation. Talk with your child about what other words might have that sound in and the meaning of some of these words. You can then practice some of the games involving reading, blending, segmenting and spelling. Continue to work through, doing two sounds a week.

Extra challenge – give your child some words those sounds in to spell!

English – Read books with your child. These can be any of the reading books that have been sent home, some you might have around the house or watch e-books online.

Ask your child questions about what is happening, where are they and what do you think will happen next.

Maths – continue to use Mathletics. There are also loads of games on busy things and espresso as well 😊

Talk!! – talk with your child! Talk about what you're making for breakfast/lunch/dinner; get them to help you with household chores. Play with them! Go out for a (safe) walk and talk about the things you can see. Make things with your recycling, turn it into a story – take photos, get the children to write a sentence about what they have made. It should all be fun, engaging and a chance for you all to spend time together.
