

# Year 2 Home Learning

Dear Year 2 Parents and Children,

We have listed a few activities for you all to help you continue school work over the coming weeks. Although it is important to continue your education, we would also like you to take this opportunity to spend time with your families playing games, building Lego, watching movies, baking cakes or going for walks at the local park (remember to follow government advice and socially distance yourself from others). Please remember, all National Parks are open to the public and free of charge. See here for further details <https://www.nationaltrust.org.uk/>

Your child should have usernames/ passwords for the following but please get in touch if you cannot locate anything:

Mathletics <https://student.mathletics.com/primary/#/launch>

Oxford Reading Buddy <https://www.oxfordreadingbuddy.com/uk>

Timetables Rock Stars <https://trockstars.com/>

LGFL <https://www.lgfl.net/learning-resources/>

A suggested timetable for the day is below. Please remember you can be flexible and none of this is set in stone!
