

	Days of the Week	Language Session (some ideas)	Break	Maths Session (some ideas)	Lunch	Creativity and Exploration (Some ideas)
Monday	Dream English Days of the Week (You Tube) Sing and clap along like no one's watching!	Phonics Letter sound of the week starting with 'p' Talk about the name and the sound, write it in the air, see it written in different places - make a little display of the things that start with that sound - add to it as the week goes on		Number Watch Dream English numbers to 10 or20 on You Tube Play a number game		Build a den
Tuesday	Dream English Days of the Week (You Tube) Sing and clap along like no one's watching!	Choose a favourite story Share it together Act it out as many times as you like- have fun		Number Watch Dream English numbers to 10 or20 on You Tube Choose a number – eg 3 and go on a scavenger hunt; find 3 red things/3 cars/3 bears/ Spot numbers around them everyday.		Make an instrument or use household items – form a band Play along to music
Wednesday	Dream English Days of the Week (You Tube) Sing and clap along like no one's watching!	Using the same story Choose the main character Draw/make him/her and talk about them as you do.		Number Watch Dream English numbers to 10 or20 on You Tube Make large number cards to 10 if you can and decorate them. This can take a few days		Bake or ice biscuits
Thursday	Dream English Days of the Week (You Tube) Sing and clap along like no one's watching!	Create a scene from the story...using props from around the home or through painting/drawing/junk modelling. Talk about what you're doing and making as you go. (This can be done as many times as you like over as many days)		Shapes Triangles, squares, rectangles, circles Choose a different shape each week – Go on a shape walk around the home, make things using that shape eg. A caterpillar using circles (could be linked to the hungry caterpillar story)		Get messy with water – put in bubbles/colouring/ toys/different sized containers/wash up
Friday	Dream English Days of the Week (You Tube) Sing and clap along like no one's watching!	Enjoy the story together again- often You Tube have people reading stories. Joining in with or gesturing to repeated phrases. Make up actions		Does the story you're reading together open up opportunities for counting or shape or light and heavy, long and short		Build a tower with everyday objects or blocks Spend time mark making using pens/paint/crayons/ sponges/ household paintbrushes and water etc Mark making to music
