Wednesday	Colouring/ Lego/ Handwriting/ playdough	Maths 	Break 	Yoga/Meditation 	English 	Lunch 	Art 	Break 	Exercise 	Read before bed time 
Thursday	Colouring/ Lego/ Handwriting/ playdough	Maths 	Break 	Yoga/Meditation 	English 	Lunch 	Science 	Break 	Art 	Read before bed time 
Friday	Colouring/ Lego/ Handwriting/ playdough	Maths 	Break 	Yoga/Meditation 	English 	Lunch 	Board games and writing 	Break 	Exercise 	Read before bed time 

Child 1

Child 2

English: 1 topic – differentiated activities to complete

* Pupil to independently continue to complete activity whilst child 2 is being taught (Maths)

Monday	Science - Look at the resources you will need to plant a seed to grow a plant, write/talk about a prediction about what you think will happen each day.	Cooking - Use weighing resources to measure your ingredients, what do you notice about heavier objects on the weighing scales?
Tuesday	Science – Write step by step instructions on how to grow a plant.	Games - Make a video on how to play your card game or explain it to an adult or sibling.
Wednesday	Art - Create a mosaic using dry food or household materials.	Exercise - YouTube your favourite songs and make up your own routine!
Thursday	Science - Create your own magnetic treasure hunt, what will it lead to? What was magnetic?	Art - What will the mythical creatures' powers be? What quest will your mythical creature go on? Who will it meet?
Friday	Games/Reviews - Write a diary entry about what you got up to today and write a review about a board game you have played.	Exercise - You choose!

Hi parents,

I hope you are all well.

Above is a suggested timetable at home for some structure.

I will be adding to our class story on ClassDojo so please join the class and check for updates. It might help motivate children.

I will be checking activity on Mathletics, times table rockstars and oxford reading tree daily to give dojo points. You will find these logins in the home school book.

You will also find a variety of activities in the packs I sent home. I can add points for these tasks if you send a message on ClassDojo. The time at home is great to learn some life skills and do something more active than maths and English.

I hope to see you soon, in the meantime stay safe.

Best,

Ms Kumar
