Highbury Roundhouse Enrichment Clubs at Laycock School

Dear Parents/Carers

We are really pleased to be coordinating the enrichment clubs for the autumn term.

Please find attached a copy of our clubs which will start on Monday 25th September and will end on Friday 8th December. (10 weeks)

The clubs will now take place at Laycock Primary School.

Please use your online scopay account to book clubs, they will be available to book from Thursday 14th September.

For parents who do not have an online account – If you have provided the school with your email address you will receive a letter by email outlining how to set up your account.

You will be able to book all clubs or after school club care this way.

Enrichment classes are based on a first come basis, your child may attend as many clubs as are available.

This term only, we are offering parents the option to pay half of the club cost for this half term, the second half must be paid online by Friday 20th October.

No child will be able to start a club or continue after half term unless payment is made.

Please also complete an enrichment class/child registration form as this gives us valuable details whilst your child is in our care. (This form is not applicable to children already registered with the after school club)

We also offer a reduced childcare rate of £5.70 per session, this will include escorting your child to the after school club following their activity and providing them with a healthy snack and childcare until 6pm.

After-School Club

If you require after school childcare you will need to fill in a registration form and then book days required through your online scopay account.

You must book childcare 24 hours in advance

We will no longer accept cash or cheque payment at the club.

If you are receiving Working Tax Credit then you can claim up to 70% assistance of the cost of the childcare. For more information and support you can call tax credit helpline on 08453003900. We also accept childcare vouchers so please come in and see us for more details.
